P.C.

We have seen the affidavit of Shri Vasant Gosavi, Deputy Commissioner of Police. We find that some steps have been taken to reduce the noise pollution within the area in question and we hope and trust that the measures taken will be continued indefinitely.

The Petitioner appearing in person pointed out that there is a temple adjoining the Small Causes Court Complex in which loud-speakers etc are being used.

We accordingly direct the respondents to look into the matter and to ensure that no law is violated. We also give liberty to the Petitioner to revive the Petition and recall this order in case the undertakings given by the respondents are not complied with. Respondents are at liberty to remove the decibel level meter installed in the Small Causes Court, Mumbai.

The petition is accordingly disposed of.

CHIEF JUSTICE

V.M. KANADE, J.
